

Short Version Promising Practice Burlington-Edison School District

Event: Parent Involvement

Target: High School

Purpose: To get parent more involved and informed to what is going on in their child's respected High School.

Activity: Provide Informational nights for parents related to supporting students at home, HSPE preparation, strategies for school success, college financial planning, awareness of high school and college entrance requirements.

Results: parents are aware and in tuned of their child's education which leads to academic achievements of the student.
