

Short Version Promising Practice Wapato School District

Event: Family Empowerment Night

Target: High School

Purpose: Family empowerment seminars to enhance parents understanding towards high school graduation requirements, as well as post secondary education, the associated costs, financial aid, programs, and admission requirements of various types of postsecondary institutions.

Activity: The family empowerment night will cover a large amount of information towards graduation requirements, post secondary education and other related topics. There will be a wide range of learning for parents such as educational games and a lot of hands on field activities.

Results: Parents learned a lot about graduation requirements, what is needed for a post secondary education the differences between a two year community college and a 4 year institution.
