

Burlington- Edison School District Short Version Promising Practice

Event: Parent Involvement Punch card

Target: High School

Purpose: To get parent more involved in their child's education

Activity: awards and prizes donated by the community for parents getting their card punched for attending and participating in a variety of parent support activities.

Results: A lot of parent involvement at school functions and conferences learning what their child has been doing in school and if he/she is on the right track to graduation.
